

## **Path Class Thank You**

### **Sample Thank You Note for Path Class Attendees**

(To be sent during week following class)

Dear Jill and John,

I sure enjoyed getting to know you at our Path class. I hope you found the experience as meaningful as we always do. I always enjoy getting to know the kind of folks who are interested in JUC. They are thinkers and doers and you're clearly that kind too!

If you have any further questions about membership, feel free to call me anytime. We look forward to welcoming you into our church family whenever you're ready.

In the Faith,

New Member Coordinator
