6. Our New Member Coordinator, Annie Hedberg, will call you occasionally during your first year to see how you are doing in making connections within our church community. When you have had time to figure out the areas of the church program in which you are most interested, our Volunteer Coordinator, Pat Emery, will give you a call to facilitate your involvement.

In the meantime, we ask all members who are able, to participate in "The Foundations of Fellowship." These simple, straightforward tasks form the underpinnings of our church program and will give you a chance to meet other church members. On the back side of this form is a description of these activities and a way for you to indicate which you prefer.

7. If you already know of an area of the church program in which you would like to become involved, please list it here.
